How to Upgrade Your Level

Have you run enough races to have earned a Level Upgrade?

Congratulations on your race finishes, however your work is not quit finished.

In order to maintain the integrity of the club, in April of 2018 we have implemented a review board of fellow Maniac volunteers that review each and every one of your races to ensure it meets the criteria.

You may be asking why we implemented this? Unfortunately we've had many members that were taking advantage of the "honor system" process we had in place for many years.

In order for the new review process to work correctly, we need to set a few guidelines

Please visit the following web page to see the details of the new process:

DOUBLE AGENTS

Since the formation of the Half Fanatics in 2009, a runner who is a member of both clubs is called a Double Agent.

The Main Maniacs decided to create an asylum dedicated to those who are Double Agents. In order to be assigned a Double Agent number you must have your dues paid and updated in both the MM and HF. Your name and e-mail address must match both clubs. Each day a program will run to generate new members.

New gear is available for Double Agents as well as a whole new set of challenges as you climb peaks.

For more information visit the Maniacs web site.

MANIAC ONGOING DISCOUNTS

Jeff "Boneman" Bollman (#1058)

With the new website comes a new way to identify race discounts. All discounts are now located on the race calendar page. Look for the gold coin following the race name, that signifies a discount. Click the coin and after a brief disclaimer reminding us that discounts are for members only, the code will be revealed along with the amount saved.

New discounts have a ** in front of the race name and don't forget about the Maniac discount at The Running Warehouse www.runningwarehouse.com for all your non-Maniac branded apparel and shoe needs.
